Books to read together:

E Alborough	Tall
E Barton	The Three Bears
E Brown	Bumble Bugs and Elephants
E Capucilli	Biscuit's Big Friend
E Hoban	Is it Larger? Is it Smaller?
E Hutchins	Titch
E Kalan	Blue Sea
E Silverman	There Was a Wee Woman...

Fun things to do together to compare sizes:

- * Look at different things around the house and ask your child which things are big and which are little
- * With pictures of animals, discuss which animals are big and little (you can also have your child put them in order of size)
- * With bowls of different sizes, your child can figure out which bowls fit into the other bigger bowls
- * Start a growth chart with your child and measure him/her regularly to show him/her how much he/she has grown

A Big and Little Rhyme

Mr. Tall and Mr. Small

There once was a man who was tall, tall, tall
(reach up high)

Who had a friend who was small, small, small
(bend over and touch toes)

The man who was small
would try to call (cup hands
over mouth)

To the man who was tall,
"Hello up there!" (high voice)

The man who was tall once would call (reach
down for your toes)

"Hello down there!" (deep voice)

Then each tipped his hat and made this reply
(tip your hat)

"Goodbye, my friend." (high voice)

"Goodbye, goodbye!" (low voice)
