Mary, Mary

Mary, Mary, quite contrary,
How does your garden grow?
With silver bells and cockle shells,
And pretty maids all in a row.

Ripe Apples

Here is a tree with leaves so green,
Here are ripe apples that hang between,
When the wind blows,
The apples do fall
Into a basket which gathers them all.

Things To Do In Order To Be “Green” (planet saver):

- Recycle as a family
- Sit down under a tree and think of all the good things trees do for us
- Have your toddler decorate a white lunch bag to place in your family car to gather litter
- Let your child help you make a bird feeder
- Plant some seeds together
