### **Things To Do:**

- Teach your child how to build a sand castle
  - Collect seashells....later paint them
  - Collect beach memories and place in jar... shells, rocks, driftwood..etc.
  - Shell Creature Craft: Select 2 shells of like size and shape. Place one top side downward and glue pair of beady eyes opposite hinge. Glue other shell atop the first one. Make a couple of these creatures and glue on driftwood.
  - Toss a beach ball around a circle. See how long you can keep a volley going.
- Make a sand angel by lying on your back in the sand and moving outstretched arms up and down to leave an angel imprint in the sand
