Once I Caught A Fish Alive

One, two, three, four, five!
(point to fingers)
Once I caught a fish alive.
Six, seven, eight, nine, ten!
(point to fingers)
Then I let it go again.

Why did I let it go?
Because it bit my finger so!
Which finger did it bite?
The little finger on the right.
(point to little finger on right hand)

Beach activities:

- Collect sea shells
- Make sand castles and add a moat around, then fill with water. Make up a story about what is happening to the people inside
- Place a single seashell on the beach and draw a line around it. Keep drawing lines to make a interesting picture
