Some Traveling Activities:

Fun things to do together:

* Plan a trip to somewhere you would like to go. With your parents help, look online (or in a book) to see the kinds of places that are in the place you are going. Make a list of everything you want to see and plan out the best way to make sure you do everything you want. You can do this as an imaginary vacation, too. You can find pictures of things to start a "trip scrapbook."

* What kinds of things would you need to take with you on a trip? First is your suitcase. What would you put in the suitcase? How many things would you need to take with you? Have your parents discuss what you need to get ready.

* Pretend you are driving a bus, flying a planes, or just driving a car. Where are you going?

Riding In My Car

by Woody Guthrie

Take me riding in the car, car;

Take me riding in the car, car;

Take you riding in the car, car;

I'll take you riding in my car.

Engine it goes boom, boom;

Engine it goes boom, boom;

Front seat, backseat, boys and girls,

Take you riding in my car.

Trees and the houses walk along;

Trees and the houses walk along;

Truck and a car and a garbage can,

Take you riding in my car.
