E Hort
E Lincoln
E Pinkney
E Richardson

How Loud is a Lion?
African Animals ABC
Gorgeous
We're Going on Safari
Little Elephant's Trunk
The Lion & the Mouse
Christian, The Hugging Lion

I'm a Little Zebra
(Sung To: "I'm a Little Teapot")

I'm a little zebra white and black
With a bush mane running down my back
I like to gallop and run and play
Out on the African plains all day.

I'm a little lion, yellow and brown
Watch me roar and watch me yawn
I like wrestle when I play
Out on the African plains all day.

I'm a little giraffe with brown spots
With my long neck I can reach tree tops
I like to gallop when I play
Out on the African plains all day.

Fun things to do together:

- * Make some "binoculars" out of toilet paper rolls for your toddler to use to "find" the animals. Then sit in lined up chairs and pretend to ride in a jeep and spot different animals on the safari.
- * Make a handprint elephant by having your toddler make a handprint with some gray paint. Their thumb is a trunk, and then you can draw a little tail and paste on a little ear.
- * Make the different sounds of the animals you can find on safari.
