As I Was Walking Down the Street

As I was walking down the street,
Down the street, down the street,
A friend of mine I chanced to meet.
Hello, hello, hello!

(Then you twirl in a circle and switch
arms as you go)

A rig-a-jig jig and away we go,
Way we go, way we go,
Rig-a-jig jig and a-way we go.
Hello, hello, hello!

Things to do together on a walk:

* Look around and mention all of the different colors that you can see while you are walking, what other things can your toddler see?

* Have a fun place to end up during your walks in mind. Example: a park, playground, special treat at home...

* Discuss how it is different to walk on different types of surfaces: sidewalks, road, gravel, grass, dirt. You can also do this barefoot .

* Try having your toddler walk backwards and sideways just to have some fun while walking.
