### Some Pirate Activities:

- \* Have a treasure hunt with food or goodies. Hide them somewhere around the house and prepare a "treasure map" for your child. You can put them in a "treasure chest" if you want.
- \* Speak like a pirate with your child. International Speak Like a Pirate Day is September 19th, and there are websites, such as <http://www.talklikeapirate.com/juniorporates.html#kidstuff>, where you can learn all the pirate words and phrases.
- \* Make a spyglass with a paper towel roll, and play I Spy.
- \* Make up pirate names for each other and talk about what your pirate ship would be called and look like, treasure, parrot...
