No Good in Art
Doodleday
What is This?
Perfect Square
Lily Brown's Paintings
Hugo & Miles: I've Painted Everything
It's Picture Day Today!
Tommaso and the Missing Line
Something Special

Some Creativity Activities:

- * At the grocery store, discuss the different colors of the fruits and vegetables are. Can you find all the colors of the rainbow?
- * You can create a rainbow with your child with a box of fruit loops, glue, and some construction paper. Discuss the order of the colors in a rainbow.
- * Let your child explore colors by putting out some red, blue, yellow, white, and black paint. You can even create pictures by mixing colors together, ex: blue sky + yellow sun = green grass

Did you ever see a Rainbow?

("Did You Ever See a Lassie?")

Did you ever see a Rainbow, a Rainbow, a Rainbow?

Did you ever see a Rainbow light up a gray sky?

With red, orange, and yellow

And green, blue, indigo, and violet

Did you ever see a Rainbow light up a gray sky?

Paint With Colors

("Hush Little Baby")

I know my colors for painting fun,
green like the grass and the yellow sun.
orange like a pumpkin and white like snow,
a red, red rose and a dark black crow,
blue like the sky, brown like a bear,
as pink as pig and a purple chair!
