Some Construction Activities:

- * Build some structures with boxes, blocks, pillows. Discuss the building & what it's used for.
- * Discuss the different types of tools, machines, and people that are needed to construct buildings or roads. Point out different things about construction sights as you drive by. You can also discuss the different parts of your house: roof, walls, door frames, window sills, and look at pictures of the structures before it looked like a house with just the wooden structure up, then create a house with graham crackers.

Construction Worker Song

("Here We Go Round the Mulberry Bush")

This is the way we pound our nails,
pound our nails, pound our nails,
This is the way we pound our nails, so early in the morning.
This is the way we saw our wood,
Saw our wood, saw our wood.
This is the way we saw our wood, so early in the morning.
This is the way we use a screwdriver,
use a screwdriver, use a screwdriver,
This is the way we use a screwdriver, so early in the morning.
This is the way we drill a hole,
drill a hole, drill a hole,
This is the way we drill a hole, so early in the morning.

**Addition Verses: Stack the Bricks, Stir the Paint,
Paint the walls**
