Some Evening Activities:

* Talk a walk as the sun is going down, and see what activities the people around you are doing. How is this different from the morning activities? How is the evening different than the morning? Can you see any night time animals?

* Watch the sun set together and discuss the different colors that the sun turns throughout the day, what colors are in the sky, etc. Then take your child out to see all of the stars and lights.

* Discuss all of the things the family does in the evening, such as dinner, bath time, brushing teeth, and discuss why these things are done in the evening.

Some Evening Songs

Twinkle, Twinkle Little Star

Twinkle, twinkle little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle little star,
How I wonder what you are.

The Nighttime Song

(Tune of "You Are my Sunshine")

In the nighttime,
Only the nighttime,
I brush my teeth,
and wear PJ's.
It is dark out,
the moon and stars shine,
And I go to sleep in my bed.
