Some Teddy Bear Activities:

* Hide a teddy bear and go on a "Teddy Bear Hunt" around the house. You can do this several times, and you and your toddler can take turns hiding the teddy bear.

* Have a teddy bear picnic or tea time with your toddler. Let them set it up with all of their teddy bears in attendance.

* Discuss with your toddler what some of the different kinds of bears are, what color they are, where they live (warm, cold), what they like to eat (fish, berries), what they are doing during the winter, etc. Would their teddy bears like to do these things, too?

* Discuss with your toddler what teddy bears are made of, and discuss the different ways of helping their teddy bears, if the teddy bear gets injured (new stuffing, some sewing, etc.).

A Teddy Bear Song

You are my Teddy Bear
("You Are My Sunshine")

You are my teddy bear
My only teddy bear
You make me smile dear
You are my friend
You'll never know dear
How much I like you
I'm so glad you're my
Teddy Bear today.
